

UK Council *for* Graduate Education

Design and Delivery of Training in Research Ethics for Supervisors and Research Managers

www.ukcge.ac.uk

Welcome

Housekeeping

Introduction - Workshop Team

- Kathy Ludlow, Teesside University
- Professor Tony Fell, University of Bradford, (UKCGE Executive Committee members)
- Dr Andrew Rawnsley, Teesside University

Recent Context:

"It is clear that there is demand for a professional, respected and flexible mechanism for delivering high quality training in Research Management. Equally, none of the current offerings available for universities to choose from are holistic enough to develop the skills they wish for their staff..."

"Professionalising Research Management"

John Green and David Langley, March 2009
